

Course Outline

BSB31107 Certificate III in Administration (Medical)

This qualification reflects the role of individuals who apply a broad range of competencies in various medical administration contexts. They may exercise discretion and judgement using appropriate knowledge to provide technical advice and support to a team.

Job Roles

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- Medical Receptionist
- Medical Records Clerk
- Medical Secretary.

There are no specific pre-requisites for this qualification, however some language, literacy and numeracy skills will be required; if this poses any difficulty at all, discuss with your Work Plus Development + Training contact person, with your workplace supervisor or take advantage of the programs offered by Work Plus Development + Training (refer participants guide).

Distance education gives the individual the flexibility to design a program that suits their needs. Whether looking to launch a career or up skill in an existing role, the Work Plus Development & Training model allows the flexibility to make it work.

Work Plus Development & Training view distance education and workplace education equally, with both achieving the same quality service delivery and nationally recognised qualifications.

In order to ensure that the business and the individuals gain the most out of this qualification, a **flexible** approach is taken by Work Plus Development + Training, which includes:

Undertaking a Training Needs Analysis with the business and the individuals...
...Negotiating the “Planned Outcomes” with the business and the individuals...
...Provision of quality learning and assessment resources...

... and as distance education participants, there is still plenty of opportunity to access Work Plus Development & Training’s qualified consultants, using a range of methods including...

- ...Telephone & Facsimile
- ...Email
- ...Online Forums & Blogs
